

You are invited to ProjStream Software's
Pro Tools Training Session:

Automate Your CAM Notebook with Workflow Management

Join us Thursday, 6/1 at 3:15pm in the Main Exhibit Hall for a live demonstration of ProjStream Software's new

Fully-Integrated Workflow Management System

Have You Been:

- *Manually generating forms such as BOE, BCR, and WAD's?*
- *Managing workflow across disparate systems using hand-signed forms?*
- *Using an outdated, time-consuming, or error-prone solution to manage your Change Control process?*
